## **Who is Dave Ebert?**

Based in the Chicago suburbs, Dave is an experienced improviser, speaker, improv coach, actor, and is a credentialed minister with the Assemblies of God.

Since 2013, he has performed improv with **Well Versed Comedy**, a troupe of Christian performers that uses comedy to uplift, entertain, and minister to those who need the gift of laughter. A majority of Dave's performance and improv training came in the world of professional wrestling on the independent circuit. Comedy and bringing people together through laughter is what drives Dave in everything he pursues.

Dave says, **"I used to use humor to hide who I was. Now, I use humor to reveal Who He is."**

*Dave and his team did a phenomenal job keeping my students engaged.*

*Laughter is such good medicine for the soul. You are a blessing.*
